If you choose to pay by instalments, your personal information and the bank details you provide on the Direct Debit Instruction will be passed to our third party finance provider, School Fee Plan. In assessing your application for credit they will search the public information that a credit reference agency holds about you. The credit reference agency will add details of the search and your application to their record about you whether or not your application proceeds. This and other information about you may be used to make credit decisions about you and undertake checks for the prevention and detection of money laundering. Please note if your credit agreement is terminated before the end of the year, for example if you fall into arrears with your repayments, you will have to pay the school for any outstanding fees or charges which have been incurred and make any arrangements to pay any future fees and charges.
